	5	4500	2200		£5,119.43	£4,306.24
	5	5000	2200		£5,408.41	£4,549.75
	6	5500	2200		£5,838.57	£4,868.62

Specification : Manufactured in new solid timber from a sustainable source, all doors are pre-hung, then removed for transport. All stainless steel fittings are used. Once the frame and doors are fitted into the building **THEY WILL NEED ADJUSTMENT IN PARTICULAR THE STRIKER PLATE AND HINGES.** In some cases the doors will need shooting in as well. The glass is best fitted into the doors once they are hung in the building. Glazing should be toughened 24mm double glazed panels. The price above includes glass. (For local customers only) Excludes decoration and door locks. A full instruction sheet is included with each set of doors, also a helpline is available during normal working hours.

Price basis: Ex works plus vat.

Note : Where there are an **even** number of doors, they can only be opened from inside, and can only open the complete assembly.

SEE the lay out sheet.
